DOCKET NO. P-509/CI-88-706

ORDER TERMINATING ENFORCEMENT
ACTION

PROCEDURAL HISTORY

On March 10, 1989 the Commission issued an Order finding Chester Telephone Company in violation of the reporting requirements of the Telephone Assistance Plan, Minn. Stat. § 237.70, subd. 7 (1988), and of Commission rules implementing those requirements. The Order asked the Attorney General to compel the Company to comply with those reporting requirements.

Since that time, the Company has fully complied with its Telephone Assistance Plan reporting obligations.

FINDINGS AND CONCLUSIONS

The Commission finds that the Company has complied with the reporting requirements of Minn. Stat. § 237.70, subd. 7 (1988) and with Commission rules implementing those statutory requirements. It is no longer necessary for the Attorney General to compel compliance. The Commission will notify the Attorney General that compliance has been accomplished and will request that enforcement activity cease.

ORDER

1. The Commission finds that Chester Telephone Company is in compliance with the reporting

requirements of Minn. Stat. § 237.70, subd. 7 (1988) and of Minn. Rules, part 7817.0900.

2. The Commission requests that the Attorney General discontinue the enforcement action requested by Order dated March 10, 1989 in the above-captioned matter.
3. This Order shall become effective immediately.
